Minutes 11-15-06

Meeting was called to order at 7:05 by President Ed White.

Secretary Report was approved.

Treasurer Report: \$610 of dues in since last report. Report was approved.

GLSMA Report was mailed out separately.

Field Report: The gravel was spread in the parking lot. A work party filled runway cracks. Mower is in winter storage.

Safety: No report.

Activities: Swap meet cannot be held at Bldg. 33 cafeteria. Boeing said no. Queeny Park suggested. We may end up back at the same high school as in recent years. We still plan to change the date to late May to stay away from the Toledo show date.

Contest: None.

Christmas party: Dec. 2 at Hatfield and McCoy, \$10 a person. Need votes for modeler of the year.

Old Business: Talk about having or participating in a show to bring people to the hobby. Talk about the club doing a demo.

Club officer nominations approved:

President: Ed White

Vice president: Frank Thomas

Treasurer: Dan Sundman

Secretary: Jan Jansen

We still need volunteers for field manager and safety officers.

Meeting was adjourned at 7:50

NOTE: The Officer Banner on the Carrier Wave will be updated to the new officers with the next issue!

The annual Christmas Dinner was held on December 2, 2006 at Hatfield & McCoy's restaurant in St. Peters. As can be seen in the following pictures, there was a very good turnout as the weather was good (it stopped snowing) and the streets were reasonably clear. There was time for socializing before dinner

The food at Hatfield and McCoy's was excellent and plentiful. The service was very good too. Everyone, including the restaurant employees seemed to be having a good time.

The photographer admits to an error in setting up the picture to the right. It should have been taken from the other side of the table, facing the ladies. Fortunately, the camera didn't break though it did groan a bit.

Everyone had a great meal, including desert, and stimulating conversation. The dinner can be declared a complete success!

Awards Presentations

Recognition Awards at the Christmas Party were:

Modeler of the Year - a tie between father and son, Dominic and Jim Alberico

Dominic was unable to attend but we have a recent file picture with one of his creations. Jim gave a complete account of the genesis of this airplane, which I won't try to reproduce in this column as it was far too complex. Congrats to Dom and Jim for a well deserved award.

Flight of the month awards: Dave Checkett, Will Feldmeier, Dan Sundman

Will was unavailable, but Dan Sundman brought along his own personal cheering section. Congratulation to these folks for getting out to fly at least once each month of the year.

Special Recognition (made up by the President)

Dan Abel - for efforts as Activities Chairman, this year and the previous 3 years

Dave Evans - for great Carrier Wave Edit'in

Herb Johnson - for representing the club to the UAV flight test group

Frank Thomas - leading the container security sub-committee

Emery Kattelmann - for multiple efforts working things that needed to be done

Don Albert - for effort supporting field maintenance activities

Larry Leuschke - for two years of great effort leading the Swap Meet

(Emery, Don and Larry were not able to attend the dinner)
