Articles, pictures, and tech notes for publishing in the Carrier Wave are always appreciated. Please submit articles a week and a half before the meetings. Please send pictures, preferably in JPEG format, in separate files from text files. Text should be in MS Word format, simple text file format, or some format that MS Word can read. Indicate where pictures should be in the text with a note in parentheses such as (Picture ABCDC001.jpg goes here). I will integrate text and pictures in my page layout program.

### **Christmas Party in December, No meeting**

**Jan 1, 2014, Before the Snow Flies Fly:** OK, technically the Jan 1 before the snow hits fly was held today. Actually fairly decent weather, chilly but little or no wind. Attendees (while I was there) included Jack Buydos, Jose Espinosa, Don Grzina, Jan Jansen and Ed White. Everyone put up multiple successful flights - no crashes. Always a good way to start the year. (Provided by Ed White)

## **Indoor Flying at Moscow Mills**

There is often a good turnout at these Friday evening events. Here are a few flyers that showed up a few weeks ago.

Representing the Phantom Flyers: Don Grzina (right), Ed White (below), Bill Sostman (lower right),

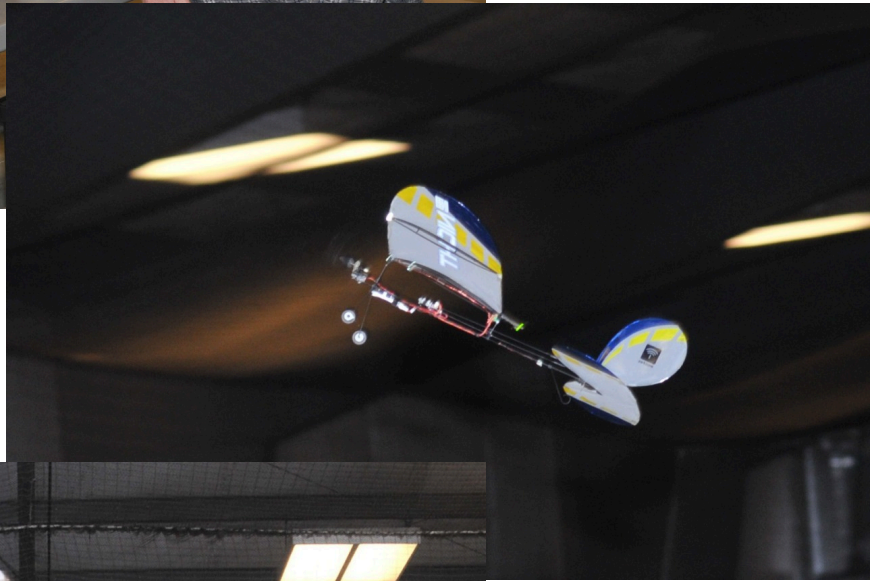

Danne Anderson (next page), Larry Anderson (above holding his airplane), and your editor/reporter/photographer Dave Evans (not pictured as usual).

Danne Anderson taking a break during the festivities.

Night Vapor (not mine), belonging to Lisa the facility owner, puttering around the building.

Three airplanes in the picture at once! We have as many as four flying at the same time upon occasion. Five if you include the little quad copter in the corner.
