## Events

### **July 1, 2018 Vista/Sailplane Contest (Contest Director- Jan Jansen)**

Phantoms and MVSA Flyers

It was a hot one! The electric power assisted sailplanes owned the day. I would say that we all had a good time!  
The final standings, as I remember, are listed below. (KLC editor)

1. Wayne Wimbish (MVSA)

2. Robert Samuels (MVSA)

The Winner!

## Members Models/Projects

My converted Yellow Aircraft F/A-18 was destroyed at 2018 EDF Jet Jam due to pilot error crash. With the help of Dan Eatond's photo...just seconds away from impact, I able to determine why it happened. I was setting up for a high-speed pass, which requires low elevator rates. I flicked the switch and inadvertently hit the landing flap position switch! At speed these models pitch down when flaps are deployed and since the elevator was on low rates it wasn't leveling out...at all.

Yellow Aircraft F/A-18s converted to EDF

Note the flap position

As luck would have it or whatever you call it Motion RC, one of the sponsors at EDF Jet Jam, donated pilot's prizes. I won the Freewing Avanti S.
