Minutes of the Phantom Flyers RC Club meeting on 20 September 2021

The September club meeting was held at the field and opened at 6:30. Vice President Dan Dierking chaired the meeting. Eight club members were present.

Tech session - There was no tech session

Minutes of the August club meeting are approved as published in the Carrier Wave.

Treasurer's Report. We are still solvent. The lease has been paid for this coming year.

Safety Officer: Not present. But someone was not heeding the advice to not fly alone. That someone lost a canopy out in the bean field. That same someone went out alone to get it. I found it and was heading back when he stumbled and although unhurt was unable to get up due to loss of balance. Fortunately, he was able to call for help and help was forthcoming. Moral of the story is don't go out looking for stuff in the field alone. Not sure who this hapless flyer was, but I learned the lesson.

Field Manager's Report - Green mower is down. It is not clear that repair is economically effective. We can get through the rest of this year with just the red mower which seems to be running well. But we will need something for next year. Don will go looking for something.

Activities: Pattern contest is scheduled for October 1-2. Jim West has stepped up to CD the event. Many thanks to Jim.

GSLMA - No report.

Old Business - No old business.

New Business - Jan has some items sell to club by auction. Next month we'll go back to meeting by Zoom.

Meeting was adjourned at 7:10 which was well after dark.
