Phantom Flyers RC Club Meeting

Phantom Flyers RC Club Meeting Minutes May 18, 2026

Attendees: The Zoom meeting was called to order by President, Jim West at 7:08 PM. Members present were: Jack Buydos, Kevin Cox, Jose Espinosa, Don Grzina, Bill McMenemy, Jim Rusk, Harold Weaver, Jim West, Ed White

Tech Session: No tech session.

Secretary's Report: There were no questions or changes to the April meeting minutes published in the Carrier Wave. A motion to approve was made and approved. Ed reported 37 current members. We discussed the need for club approval for \$63 for renewal of the phantomflyersrc.com domain.

Treasurer's report: \$12150.47, expenses were \$90 for diesel/gas, hydraulic oil. A motion was made and approved to spend \$463 (\$400 for Open House + \$63 for the domain renewal).

Safety Report. No one had any safety issues to report.

Field Managers Report: Both mowers are operational. The field was rolled 3 weeks ago. Moles are still a problem. Don is looking for where we could rent a hot seal crack filler. Latrine is cleaned for open house. The question came up is there a field manager email?

[after the meeting it was confirmed by the webmaster that such an email did exist, (field@phantomflyersrc.com). 2 commendation points are awarded to the webmaster].

The issue was raised that the website still had the contact information for the mowers but an email to the webmaster directed that information be removed from the website.

[after the meeting, the webmaster found the May 15 email and deleted the contact information from the website as requested. 14 demerits are awarded to the webmaster].

Activities Report: The club events schedule has been put on the calendar. The

second 2m glider contest (May) has been canceled due to weather. 2m glider contests will continue through October on the first Sunday of the month. The Open House scheduled for May 16 was postponed due to weather. No new date has yet been set. We will look for a date in June.

GSLMA Report: The St Louis County Parks Dept has no form for Buder Park flying permits. Harold is working on Buder permit forms. He expects that a more reasonably priced annual permit will net more money than the present annual permit and daily permits.

Old Business : SFTE (Society of Flight Test Engineers) will be invited to the Open House.

New Business : None raised.

Meeting adjourned at approx. 8:50 pm

Club Secretary

Name the Plane

To my knowledge there were no correct answers to last month's name the plane. It was a P39 Aircobra named "Miss Connie".

Now for the June name the plane.

Correct answer will be revealed by Don next month. As before, anyone else sending in a correct answer (as decided by Don) will receive guaranteed respect at their next visit to the flying field.

(Max duration 5 minutes)
